

# **Southeast Evaluation Association Webinar: Using Project Management Principles to Conduct Multi-Site Evaluations**

**Wednesday, December 2<sup>nd</sup>, 11:00 a.m. - Noon**

**Description:** A multisite evaluation is basically one evaluation conducted at more than one site. Arguably the key factor in the successful development and implementation of a multisite evaluation is good management of the evaluation. This webinar discusses the use of project management principles in the management of a multisite evaluation at the CDC.

**Speaker:** Jan Fields taught respiratory therapy at a community college in Michigan for 30-plus years before going back to school to earn a PhD in interdisciplinary evaluation at Western Michigan University. He is currently participating in a two-year evaluation fellowship at the Centers for Disease Control and Prevention.

**Registration:** This program is FREE for SEA members; \$15 for non-members; and students can join SEA for \$10.
